JLE GROUP
UTILITY SERVICES

Our companies EMS Mine Site Electrical and JLE Electrical, divisions of Maas Group Holdings, have merged and will now be operating as JLE Group. This union will streamline our services, increase efficiencies and strengthen our product offerings to our combined network of clients.

As specialist electrical contractors, JLE Group is an accredited Level 1 ASP service provider, including Level 3 design services, level 2 works and level 1 works. We have a team of

highly skilled tradesmen to ensure projects are completed to the highest professional standard.

Our commitment to safety, quality workmanship and client satisfaction is how we will continue to provide high quality electrical products and services to the mining and power industries Australia-wide.
